

Mainline Steam NORTHLANDER 29TH MAY 2010

Here's your chance to travel the scenic north line to Whangarei behind steam for the first time in a number of years.

Join Mainline Steam for this exciting steam train* journey behind Ja1275 as we travel over the newly renovated Western Line through the suburbs of Auckland. (It will be the first steam hauled train through the newly opened New Lynn Trench.) Then from Waitakere we travel through the beautiful scenery to New Zealand's northern most northerly city Whangarei. The train is fully heated and has a buffet car where you can purchase light refreshments.

On arrival in Whangarei you have the option of a side visit the Whangarei Museum and Kiwi House at Heritage Park or exploring the city at your leisure.
