

FRIENDS OF THE RAIL PHOTOGALA

DATE: MONDAY 9 AUGUST 2010

VENUE: FOTR DEPOT, CAPITAL PARK, PRETORIA

Join Friends of the Rail for our second winter photographic event, and experience the power and majesty of steam on a winter's morning!

We meet at the FOTR Capital Park depot on Sunday 9 August, a Public Holiday, at 06h00.

Enjoy coffee and rusks as one of our superb steam locomotives brews up alongside.

At sunrise we will begin the photography, with great steam and smoke effects on offer.

The locomotive will be positioned in various locations and you will be able to photograph the human activity around her too while she is serviced by the crew, who will be dressed in traditional railway footplate attire.

Opportunities like this are becoming rarer by the day, so grab this chance while you can.

The fee for the morning is R150, payable in advance to guarantee participation.

Places are limited so book now to avoid disappointment!

Bookings may be made by phoning Arno on 012-5484090 or 0822934616.

SEE YOU THERE!
