

Friends of the Rail

January 2011

Dear Friends of the Rail,

A very warm welcome back to you, all our friends,

The first Lend a Hand this year is on **Sat 15th and Sun 16th January** at Hermanstad starting at 8:30am.

This month we are tackling the putting up of the soap dispensers throughout all the coaches, which were bought in June last year but no hands have been available to put them up! Electrical wiring will be done and Theo may need an extra set of hands here. Also there will be some shunting to be done so all hands on deck would be very welcome!

Tea and coffee will be available and is self-service from our Kitchen. For the **Shed Braai at 12:00 noon**, Please bring your own meat and drinks. We will provide the braai, salad and rolls as well as paper cups, plates, cutlery etc.

Your **Board Member** in charge, this month is **LIESEL HAGEN**.

Many hands make light work!

Regards

Liesel
